**INVITING STRATEGIC LEADERS, WATCHMEN,  
PRAYER & WORSHIP WARRIORS**  
to be equipped and released to fulfil your part  
in major shifts & realignments in the spiritual realm,  
land and culture of Australia!

David Tidy, from Prayer Warriors International [www.prayerwarriors.org.uk](http://www.prayerwarriors.org.uk), was a pastor for 25 years before he was called to equip the Church for spiritual warfare and to fulfil its purpose in this generation.

David has a heart for the lost and a burden to see unity born of the Spirit in the Church of Jesus Christ. David works with national prayer movements in the UK and around the world including Israel, New Zealand, South Africa, Sweden, Holland, Ireland and Australia. David has discerned, "You are going back to Australia to help raise the level of unity by removing barriers of misunderstanding and hindering spirits."
